

Women, War and Peacebuilding

UVU Conference 2016

Peace is possible through the empowerment of women.

Utah Valley University will host a two-day conference to inform community members, academics, and members of civil society how to support peacebuilding efforts locally and worldwide.

Session topics will include:

- ◇ Women and human rights
- ◇ Grassroots peacebuilding
- ◇ The experience of women as refugees
- ◇ The healing process for victims of sexual violence
- ◇ Careers in peacebuilding and international development

March 23-24 at the UVU Classroom Building, Room #101B

Keynote speakers include
Chukwuemeka B. Eze

*Executive Director for the West Africa
Network for Peacebuilding*

Kelli Muddell

*Gender specialist with the International
Center for Transitional Justice*
